

## Training Intern Job Description

### Description:

We are looking for a Training Intern who has a world-changing attitude! You will have an opportunity to work with the Hoops and Christ training team in the development and execution of our unique *Person 1st, Player 2nd* training style. The primary responsibility is to learn and comprehend the unique Hoops and Christ teaching methods used to motivate and grow athletes.

### Does this sound like you?

- Are you self-motivated and eager to take on new challenges?
- Are you a team player, while always having a competitive spirit to drive results?
- Is the work mentality of *Glorifying God in all that you do* something you strive for?

### The Day-to-Day:

- Assist training team in development and athletic and personal development plans for players.
- Assists the Head Trainer in Development of Camp and Clinic Strategic Plans.
- Assists the Head Trainer with instructing players on drills and techniques of the game.
- Attend Hoops and Christ outreach events and functions to drive organization awareness and personal spiritual development.
- Attend weekly trainer meetings and calls with the head skills coach and other skills coaches.
- Be a vocal advocate for Hoops and Christ in the basketball community.
- Assists the Skills Coach by helping assess and monitor player's skills, mental health, and monitoring players during training.

Job Type: Internship

- Wearing Hoops and Christ approved uniform at all times while working in any Hoops and Christ Gyms.
- Support and articulate the Hoops and Christ mission statement.
- Complete **3D**imensional certified Coaching Training courses to further your personal development.
- Attend Hoops and Christ outreach events and functions to drive organization awareness.
- Study and break down game and training footage for film study.
- Travel to other Hoops and Christ family of gyms in assigned region as needed.

### **What experience and skills do I need?**

- Strong verbal communication skills and interpersonal skills
- Unbelievable ENERGY & ENTHUSIASM
- 3+ years of basketball playing or coaching experience
- Extensive knowledge of the rules, and techniques of the sport
- Ability to operate a CRM scheduling software.
